Who are for the first time to undergo woman's severest trial we offer

"Mothers Friend"

A remedy which, if used as directed a few weeks before confinement, robs it of its PAIN, HORROR AND RISK TO LIFE

of both mother and child, as thousands who have used it testify.

"I used two bottles of Mothers Friend with marvelous results, and with every woman who has to pass through the ordeal of childbirth to know if they will use Mothers Friend for a few weeks before confinement, and receive the good results, they will be satisfied with it."
